

Want to go green?

Host a Green Steps intern

Green Steps internships:

- Reduce greenhouse gas emissions
- Help your organisation become more environmentally sustainable
- Set your organisation apart
- Save money
- Provide fresh expertise, energy and creativity

Green Steps is Australia's leading sustainability training and leadership program. Click [here](#) for our website.

Our student interns work on short-term projects to improve the sustainability performance of organisations big and small across Australia.

Do you need help:

- Creating an environmental baseline or conducting environmental assessments?
- Developing energy efficiency or carbon reduction action plans?
- Implementing staff behaviour change programs?
- With specific sustainability projects but do not have the resources or knowledge?

Green Steps interns are supervised and mentored by experienced organisational sustainability practitioners from the Monash Sustainability Institute. We also cover all insurance and HR related costs.

Green Steps courses run in most capital cities and internships are available to organisations of all sizes operating in Australia

For a standard 15 day internship, the following minimal charges* exist. Internships can also be extended at an hourly rate or ask us about longer term partnership options.

Cost	\$3500.00 + GST	\$1750.00 + GST
Organisation type	<ul style="list-style-type: none"> • Private businesses • Federal/state government departments • Local councils 	<ul style="list-style-type: none"> • Not-for-profit organisations • Schools

*These can be negotiated to reflect your organisation's circumstances
